Regione Emilia-Romagna

GIDB

DECLARATION OF INTENT

The Government of Gujarat, here represented by the Gujarat Infrastructure Development Board (GIDB – India) and the Emilia-Romagna Regional Government (Italy) confirm the purpose with respect to the development of their economic system.

The collaboration will be focused on technical, cultural and economical fields in order to jointly develop
R&D and business projects, mainly in the infrastructure and port domains within the State of Gujarat and Emilia-Romagna.

GIDB and Emilia-Romagna Region confirm their respective interest in promoting the Italian and Indian
industrial and entrepreneurial systems, through the facilitation of projects in the infrastructure and port
sectors, with the aim to improve the infrastructure systems of the two territories, the business conditions and facilitating opportunities for Indian and Italian SMEs.

The cooperation will be possible directly between the parties – GIDB and Emilia-Romagna Region – as well as through their entrepreneurial systems and will be aimed at the improvement of economic condition and infrastructure sector in India and Italy.

The Government of Gujarat and the Emilia-Romagna Regional Government share the common goal to amplify and deepen economic, technical and cultural cooperation and will evaluate the possibility to sign, subject to their National Laws, a formal Cooperation Agreement.
